Order For Stay of Proceedings

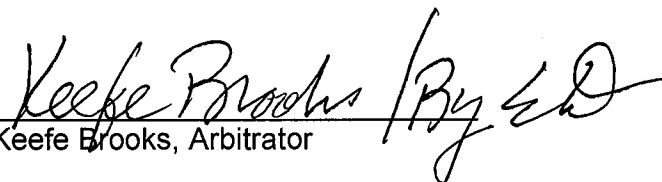

On Wednesday, April 29, 2015, a conference call was held. Participating in the call were S. Thomas Wiener and Alan N. Salpeter, counsel for Claimant, Bruce L. Sendek and Cynthia J. Haffey, counsel for Respondents, all three Panel members, and J. Brian Johns, case manager.

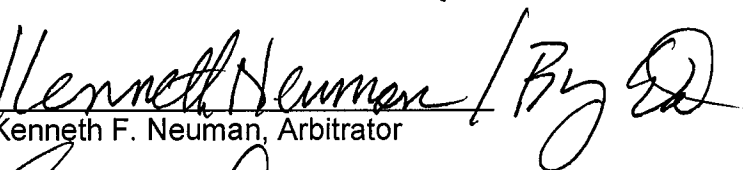

The Panel had been informed the previous evening that a motion had been filed by Respondents on April 28, 2015 before United States District Judge Bernard Friedman in the U.S. District Court for the Eastern District of Michigan, seeking to enjoin the continuation of this arbitration in light of a recent ruling by the International Chamber of Commerce in a related arbitration proceeding. Counsel for both parties agreed that no further activity in this Arbitration should take place until Judge Friedman rules on that motion.

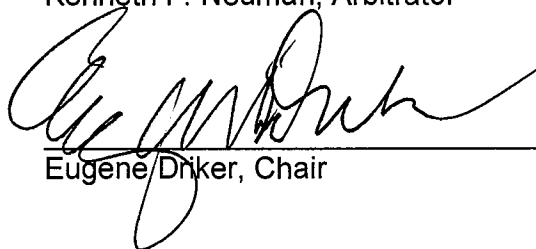

Accordingly, it is hereby ORDERED that all proceedings in this Arbitration are stayed pending a ruling by the Honorable Bernard Friedman on the motion of Respondents to enjoin this Arbitration.

Counsel for Respondents shall promptly advise the case manager when Judge Friedman has ruled on the pending motion and the case manager will thereupon communicate the ruling to the Panel members, who shall thereupon decide how to proceed.
