

**UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF COLUMBIA**

TETHYAN COPPER COMPANY PTY
LIMITED,

Petitioner,

v.

ISLAMIC REPUBLIC OF PAKISTAN,

Respondent.

Civil Action No. 1:19-cv-02424 (TNM)

JOINT STATUS REPORT

Petitioner Tethyan Copper Company Pty Limited (“TCC”) and respondent Islamic Republic of Pakistan (“Pakistan”) notify the Court of the following developments.

On March 12, 2021 Pakistan filed an Application for Revision of the award that is the subject of this proceeding (the “Application”) with the Secretary-General of the International Centre for Settlement of Investment Disputes (“ICSID”). On March 16, 2021, the Secretary General of ICSID notified the parties that she registered the Application, and that the “enforcement of the Award is provisionally stayed” in accordance with ICSID Rule 54, which provides for an automatic stay on request pending a decision by the arbitral tribunal regarding whether a stay of enforcement should be continued pending further ICSID proceedings. A copy of the March 16, 2021 Notice of Registration is attached hereto as Exhibit A.

The parties have agreed that further proceedings in this case be stayed while an ICSID stay of enforcement remains in place. While TCC does not object to a stay of further proceedings in this Court for the duration of the provisional stay, it is TCC’s position that the stay of enforcement

does not affect existing orders and judgments or ongoing conservatory measures in other jurisdictions, including, without limitation, the ongoing receivership in the British Virgin Islands.
