**Subject:** RE: RE: ICC 22466/ASM/JPA [BK-DMS.FID293080] - ICC Case No. 20910/ASM/JPA (C-20911/ASM)

Dear Parties, simply as a matter of full transparency, may I mention that I have just been appointed by a party (not involved in any way with the Panama disputes) in an African case with no link in any way to the Panama disputes. The other party-appointed arbitrator (not connected in any way to the Panama disputes) wishes to propose Bernard Hanotiou as President. If either party in the Panama disputes has any comments on this proposal please would they notify me as soon as possible, and in any event by close of business **Monday 6 September 2021**, after which I have to make a decision about whether to acquiesce in that proposal. Needless to say, this proposal does not in any way affect my independence and impartiality.

Please confirm receipt.

Yours faithfully,

Robert Gaitskell (3 September 2021)
